

PINO

The Pino 600mm 2 Door Wall Hung Vanity Unit & Basin offers a cost effective and stylish design with a huge amount of under sink storage, ideal for modern bathrooms. This modular bathroom furniture provides a cool minimalist chic look and combines a modern look with maximum hygiene. The vanity unit is constructed from high quality, durable materials in a sleek matt grey finish. The ceramic washbasin is anti-bacterial certified for preventing 99.9% of bacterial growth.
