About us

Compass Point Interiors

Welcome to Compass Point Bathroom Interiors. We are the exclusive UK agent for a pristine collection of bathroom products ranging from toilets to heated towel rails. We specialise in bathroom appliances and furnitures which means we offer well crafted products and unbeatable value. From factory to your door, our collection will satisfy all of your customers household and commercial requirements.

As Compass Point Interiors we are aware of the need to use our world resources better, we select our products by combining efficiency, water saving and long lasting components which are beautifully designed with function perfectly.

We have developed our expertise over the last decade and we are in tune to the market and can help you develop your product variety and we are able to work every budget. We look forward to building a strong relationship with you.

Welcome to our Catalogue

CREATE THE BATHROOM OF YOUR DREAMS WITH ECO-FRIENDLY PRODUCTS OF THE NEXT GENERATION!

The process of infinite creativity.

ECO-FRIENDLY DESIGN

WC Pans

ECO-FRIENDLY SANITARYWARE SERIES FOR PERFECT CLEANING WITH MINIMUM WATER USAGE.

HYGIENE FOR EVERYONE

Bathrooms are the most favorable environments for the growth of microorganisms. Germs such as Salmonella, E. Coli are found especially in toilet Bowls and sinks. Although strong chemicals are used for cleaning, it is not an easy task to create hygienic and healthy environments. Due to the fact that these chemical cleaners can not remove the microbes completely from the surface and in addition to this, microbes multiply rapidly until the next cleaning. Therefore, a hygienic bathroom poses a great importance for the whole family's health. C.P.I. is now at the service of all bathrooms and families with a brand new surface technology.

MAXIMUM HYGIENE

C.P.I. Hygiene offers healthy bathrooms for healthy life and protects human health. The silver ions of nano-size found in its content destroy the cell structure of microorganisms and prevent the growth of new microbes by 99,9%. What's more, its effect lasts for a lifetime.

ECONOMICAL HYGIENE

All products in which C.P.I. Hygiene technology is used provide maximum hygiene with minimum amount of water and detergent. Thus, they offer real saving for your family budget .

Wall Hung WC Pans

HYGIENE PRO!

- All products HYGIENE SURFACE TECHNOLOGY is used prevents bacterial growth by 99.9% and provide maximum hygiene.
- Glazed internal parts of duct and flush . 100% glazed internal parts.

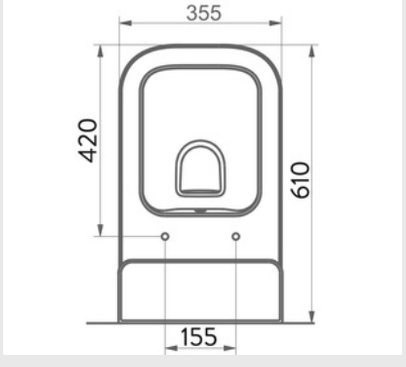
SETS INCLUDE

GEBERIT DUAL FLUSH MECHANISM (2.5 / 4.5 LT)



HYGIENIC

All products where **Seramiksan HYGIENE** surface technology is used prevent bacterial growth by 99.9% and provide maximum hygiene.)

Glazed internal parts of duct and flush
(Dirt-proof, easy to clean and hygienic with its 100% glazed internal parts of the duct and flush in WP Pans.)

Function Tests
(It has successfully passed all function tests such as toilet paper, sawdust, water volume, water absorption and chemical and stain-forming resistance tests, etc.)

Pressure (Leakage) Test
(All WC pans are tested under the pressure range of 0.6 - 0.8 bar for perfect tightness.)

Easy pluggable toilet covers
(It has an easy plug-in feature and offers ease of cleaning thanks to its special soft damper locking system.)

Rim-out WC Pans
(Dirt-proof, bacteria-free and easy to clean with its 100% glazed inner surface and ductless inner structure.)

INCAPACIOUS

Wall-hung WC pans and built-in cisterns
(Takes less space and offers ease to clean the underneath.)

Compact WC pans
(with its 60 cm structure, it takes less space compared to other flush-to-the-wall WC pans.)

Compact wall-hung WC pan
(with its 48 cm structure, it occupies less space compared to other WC pans.)

DURABLE

+400 kg weight test
(Hung WC pans are subjected to 400 kg weight test.)

150 kg weight test
(Washbasins are subjected to 150 kg weight test.)

150 kg weight test
(Toilet seats are subjected to 150 kg weight test.)

Opening-closing test
(Toilet seats are subjected to 15,000 opening and closing tests.)

Duroplast toilet seats
(Made of scratch and abrasion resistant duroplast material.)

Stainless steel hinges
(Toilet seat and hinges are made of corrosion and water resistant stainless steel material.)

ECONOMICAL

All WC pans provide perfect cleaning with **2,5 - 4,5 liters of water consumption.**

Hill Smart Urinal creates a difference with 0,8 liters of water consumption thanks to its water saving feature.

Splash Test
(Splash Test is applied to all our WC Pan group and urinal group products.)

AESTHETIC

It offers different color alternatives such as black, white, matte white, red, orange, green, brown and anthracite.

Thin Toilet Covers
(Offers a stylish look thanks to their thin designs.)
